

# Office Suites E4

485 sq ft

Joseph's Well, Hanover Walk, LS3 1AB

Where heritage meets modern working

## Description

The office has recently been refurbished to a high standard providing open plan workspace.

The suite offers generous space for up to four desks, with a rectangular layout that suits a wide range of configurations.

With the benefit of an in-house design and fit out team, we can assist with any further alterations as required.

Get in touch and we'd be happy to arrange a viewing and discuss your requirements.
